Lynn,

I really appreciate the meeting we had Tuesday. Note, I started a dialogue on my end. Please thank Robert for taking the time to meet. I did get an update from Kathy on dates for the Final STAR Report and publication of the proposed plan. The STAR report should be made available on October 21, 2017. We anticipate publishing proposed plans on or about November 7, 2018. I'm pretty sure the public meeting will be held at a local middle school on the afternoon of November 17, 2018. Let me confirm the details on the public meeting. Thanks.
